WEST SIDE ROAD NEAR COMPLETION SURFACED TO AID PEDESTRIANS

New road which is under construction along the west side of town between the Gold Nugget and the Wildcat is progressing rapidly. A good deal of the heavy blasting and rock removal has been completed, and a good proportion of the broken rock has been piled in place for the foundation of the new roadway.

Owing to the rough nature of the surface due to the edges and points of the broken rock of which the road is built, it has been found necessary to do a "surfacing" job to make the new road better to walk on. Dirt and small stones which have been dug up in the vicinity are now being spread over the surface of the larger rocks and will be packed to form a smooth "pavement". When the roadway is subjected to heavy use, as it undoubtedly will be next summer, it will likely be necessary to resort to some other method of surfacing.

Work on the project has been under way for about a month under direction of E.P. Macdonald. At the present rate of progress it looks as though it would be completed before the date Mr. Macdonald had at first estimated. It should be completed and ready for use during the Christmas rush.

D.M.S. HOLDS SECOND MEETING

The second meeting of the Yellowknife D. M. S. was held on Wednesday evening November 30th. The hostess was Miss Anne Baer.

Plans were made to hold a New Year's Eve Frolic, the proceeds to be donated to the school fund.

Arrangements were completed for the children's Christmas party for all children of school age in Yellowknife (including those resident at the Consolidated and the Nogus Camps). The tentative date set for the party is December the 22nd.

The next meeting of the club will be held at the home of Mrs. V. Cinnamon on Monday evening, December the 12th at 8:30.

The club is very anxious that all ladies who are interested attend its next meeting.

TAXI TO MAINTAIN DEFINITE SCHEDULE TO CON AND NEGUS

Red Duseau's taxi is again operating between Town and the Consolidated and Nogus Camps on a definite schedule. Discontinuance of the service which occurred earlier was due to a cracked piston which has now been repaired, parts having been flown in from Edmonton for that purpose.

Six schedule return trips will be made daily. The taxi will leave Town on its first trip at 8:45 a.m. while the last taxi for the day will leave Nogus at 6:00 p.m. and arrive Town at 6:29. Any trips after 6:30 p.m. will be made as business warrants.

Starting point for all trips leaving Town will be from Red's Taxi Office just north of the R. C. M. P. Barracks.

WEST MINING TOWN GETS AIR MAIL

Zeballos, live west coast mining town, will shortly be linked by a new air mail service to Vancouver, it was announced at Ottawa recently.

The air mail contract was let to Canadian Airways Limited, and service will commence as soon as final arrangements have been completed. Seaplanes operated by the Canadian Airways will make the return trip from Vancouver to Zeballos three times a week. Distance from Zeballos to Vancouver is 175 miles. Prior to the inauguration of the air mail service, letters and parcels were carried from the mining centre by boat.

T.C.A. EXPERIMENTS MONTREAL-WINNIPEG

First experimental flights were made this week on the last uncompleted leg of Trans-Canada Airways, between Montreal and Winnipeg. The western section of the route, from Winnipeg to Vancouver went into operation this fall, but the opening of the section across the wilds of northern Ontario was left until later.

With the route across the western provinces in operation, and the branch from Lethbridge to Edmonton running, it is now possible to fly from the north to any part of the continent.

Nugget. Apparently all the boys including Mort enjoyed the party.

Daughters of the Midnight Sun
Yellowknife N.W.T.

Dear Members

With mixed feelings we accept your generous donation of \$5000.00 to our building fund for the personal care facility we are erecting in Yellowknife. Your association has contributed so much to the lives of the people of this city that it is sad to see it close.

However, it is fitting that your donation will go on helping to make life more enjoyable for Yellowknifers - especially our senior citizens. We intend to use your gift for a specific project such as furnishing a room.

Thank you again.
